- Null modem cable
- DB-9 (F)
- DB-9 (F)
- 3 ft
- molded
- thumbscrews
- black

Product Overview

Main Features

- Null modem cable
- DB-9 (F)
- DB-9 (F)
- 3 ft
- molded
- thumbscrews

Audio/video installations in educational and commercial settings often require in-wall rated cable. The CMG-rated line was specifically engineered to meet this requirement while overcoming common challenges faced by installers in these environments. Low-profile connectors (1.25 in total depth) save valuable space in the gang box, while the rounded shape accommodates smaller monitor mounts so that the cable can be easily hidden from view.

Specifically designed to support RS-232/Serial communications, this cable is fully

- black

shielded to prevent unwanted EMI/RFI interference. The fully molded cable design delivers excellent strain relief, while connector thumbscrews provide a quick and easy connection every time. The transmit and receive signals are crossed to ensure proper data transmission. CMG-rated cables meet many NEC requirements for Communications Cables. General purpose-in wall use. These cables meet the following ratings: CMG, FT4 (Canada).

Technical Specifications

Specifications are provided by the manufacturer. Refer to the manufacturer for an explanation of the print speed and other ratings.

Cable

American Wire Gauge (AWG):	28
Cable Features:	Low profile
Cable Key Features:	Molded , Thumbscrews
Cable Subcategory:	Serial
Connectivity Left Connector Type:	9 pin D-Sub (DB-9)
Connectivity Right Connector Type:	9 pin D-Sub (DB-9)
I/O Cable Type:	Null modem cable
Left Connector Gender:	Female
Right Connector Gender:	Female
Technology:	Shielded

Header

Brand:	C2G
Compatibility:	PC
Manufacturer:	Cables To Go
Model:	CMG-Rated DB9 Low Profile Null Modem F-F
Packaged Quantity:	1
Product Line:	C2G

Interface Provided

Connector Qty:	1
----------------	---

Connector Type: 9 pin D-Sub (DB-9)
Gender: Female

Interface Required

Connector Qty: 1
Connector Type: 9 pin D-Sub (DB-9)
Gender: Female

Miscellaneous

Color: Black
Compliant Standards: CSA FT4 , NEC-CL2 , NEC-CL2X , NEC-CL3 , NEC-CL3X , NEC-CM , NEC-CMG , NEC-CMX , RoHS

Dimensions & Weight

Length: 3 ft

Service & Support

Type: Limited lifetime warranty
